

Exhibit G: GIS Data

Attachment G-2

GIS Shapefiles of Proposed Project Boundary, Federal Lands within Proposed Project Boundary, and Exhibit G Map Reference Points (CD)

Attachment G-2 of Exhibit G – Project Maps consists of GIS shapefiles of the proposed Project Boundary, Federal Lands within the proposed Project Boundary, and Exhibit G Map Reference Points. The shapefiles have been uploaded to FERC's e-Library system and require special GIS software, such as ESRI Desktop to open the files. Due to the nature of the file type, a copy of the files on disc may be obtained by contacting:
